Information of Tourist Attraction			
	<b>Everland Theme Park</b> Everland provides more than 40 fascinating attractions, seasonal flower festivals, Korea's longest and biggest sledding track and Safari World, which contains a variety of carnivores and herbivores that is unique worldwide. Caribbean Bay, located within Everland, is known as one of the world's best indoor and outdoor water parks. In all, Everland is recognized as one of the world's representative amusement facilities, providing joy and refreshment to men and women of all ages. More than 10 million visitors ranked Everland 5th among all the theme parks in the world, placing it just below four of Disney's theme parks. Moreover, Everland surprised the international leisure industry by recording the world's highest attendance increase for three straight years. Everland is still changing, both in service and in content. Every day, Everland is going further to be a part of their guests' lives, delivering quality service and the magic and joy of dreams come true.		
		<b>Caribbean Bay</b> Caribbean Bay is part of Everland theme park. Here, not only can you enjoy swimming and water amusement rides, but you can also relax in hot spring waters all year round. The water park has various facilities, such as the indoor and outdoor pools, a spa, a sauna, a wave pool, and slides like the Water Bobsleigh. The water park is a favorite family destination. Caribbean Bay Water Park has been designed with a Caribbean theme, and it is the largest water park in the world. One of the most popular attractions in the water park is the Wave Pool where you can experience strong waves similar to those of the Caribbean Sea. The park's cutting-edge computer system creates waves of up to 2.4m.
